The authors are:

(INCLUDE NAME, POSITION, SCHOOL DISTRICT OR FIRM NAME & ADDRESS)

(INCLUDE NAME, POSITION, SCHOOL DISTRICT OR FIRM NAME & ADDRESS)

The following information summarizes the nature and contents of the study.
NOTE: The most recent study must have been completed <u>within</u> the preceding two years of board action on the Part A submittal for this project building.

ORIGINAL STUDY PAGE(S)	ADDENDUM PAGE(S)	
6-7		An overview of the school district including such factors as geography, population, and wealth.
8-10		An overview of the school district including such factors as any distinguishing characteristics that will have an impact on facilities such as geographically separate population centers.
7		An overview of the school district's educational program that highlights any special facility needs including any instructional practices or planned curriculums that will require special design features.
12-42		An analysis of projected enrollment.
27		The likely enrollment for each grade structure.
8-10		A review as to whether projections 5 to 10 years into the future are reasonable and reliable.
